COVID-19 safety and prevention protocols

Eurecat protects its events

eurecat
Centre Tecnològic de Catalunya
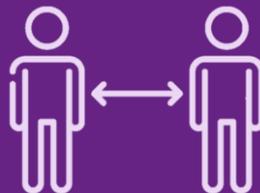

Extraordinary security measures
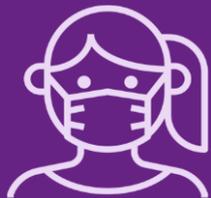

1. Mask use
Use of a mask is mandatory on the premises, except in specific dining areas while eating or drinking.

2. Safe distances and reduced capacity
The space provided for entrances and exits, flows and capacity will all be controlled to ensure proper distance between people. Seating will be spaced out.

3. Temperature control
All attendees will have their temperature checked (≤ 37.5ºC) at the entrances.

4. Sanitation areas
Use of hydroalcoholic gel will be required and it will be available throughout the premises.

5. Disinfection and cleaning
Cleaning and disinfection protocols for the premises will be strengthened to guarantee maximum safety for attendees.

6. Ventilation and fresh air
Fresh air will be ensured more frequently.

7. Digitisation
All accreditation and control of the attendees will be 100% digital and the use of paper and other physical materials will be minimised during the event.

8. Individual catering
All catering will be 100% individual.

Extraordinary security measures

*Prior to the event

- Prior registration and confirmation of in-person attendance.
- Information on the measures to mitigate the risk of contagion.
- We recommend that you download the Radar Covid app (for Android and iOS).

*Access to the event

- Access via mobile (QR code).
- Temperature control, mandatory mask use and hand sanitisation with hydroalcoholic gel.
- Informational signposting on the action to take during the event.
- Control of flows and capacity.
- Space design to guarantee social distancing.
- The spacing between the seating must be respected.
- Crowds must be avoided and safe distances must be maintained.
- Greetings with physical contact must be avoided.
- Improved ventilation systems and frequent supply of fresh air.

*Dining

- Strengthening of hygienic and sanitation procedures in dining services.
- Food delivery in individual units.
- Redistribution of space in dining areas to guarantee social distancing.
- You must always wear a mask except when eating or drinking.
- You must maintain a safe distance when eating.

*Speakers

- Masks are always mandatory.
- Disinfection and cleaning of sound and image equipment.

*Follow the directions of the organisation's staff at all times
